This collection features a variety of bold statement pieces for your bedroom, dining room, and living room.

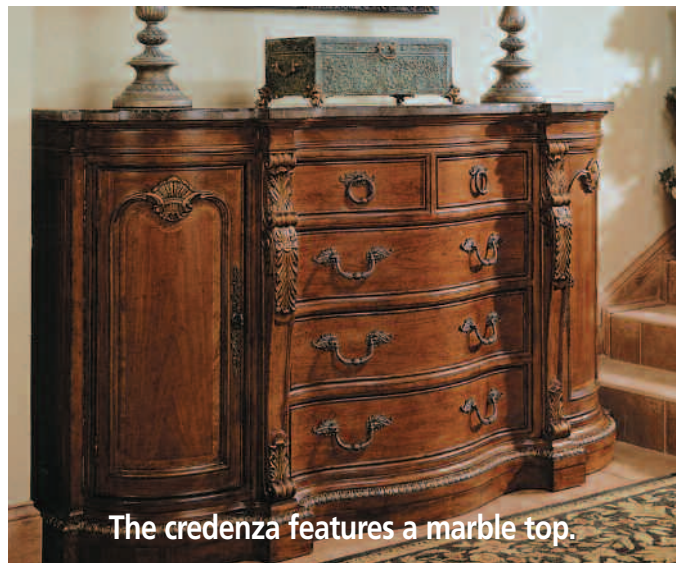

Inspired by the centuries-old traditions of European royalty, Grand Palace is rich with golden highlights, dramatic carvings and exquisite detailing.

Wherever you look, there's quality and style — an endless variety of selection from the furniture market's best top brand name manufacturers, like the Grand Palace by Universal.

Chairs are also available with a wood splat back.

The credenza features a marble top.
